THE TEAHOUSE STORY

The Teahouse Restaurant was originally built as a garrison and officer's mess during the second world war when Ferguson Point was a military installation. After the war, the house was used as a residence for the military and then in the 1950's it was opened as the Ferguson Point Tea Room in the summer. In a state of disrepair, it was closed by the city in 1976 until 1978 when the present owner renovated it, and opened it as the Teahouse Restaurant.
